VISITORS

All building guests and visitors are to sign in/register with the front office. Student shadow days for students from outside the district are subject to three-day advanced administrative approval and teacher notification by building administration.

ATTENDANCE POLICY AND REGULATIONS

STUDENT SUPERVISION

1. When you arrive at school in the morning, you **MUST** remain in the Commons until 7:45am. Please do not leave the Commons area unless you have a pass to be with a teacher. The halls are not supervised until teachers come on duty at 7:45am.
2. During lunch, all students must eat and remain in the Commons unless you have a pass from a teacher. During your lunch period, you are permitted to use the restrooms near the office area **ONLY**. Students are not permitted to use the restrooms upstairs or use the restrooms near the elevator. You must remain in the Commons until the end of the lunch period.
3. After school, all students must be in a supervised area of the building. You must be supervised by a teacher or a coach. Any student who is being picked up after 3:15pm should wait in the Commons and have your parents pick you up behind the high school. You may not be upstairs or walking around the building after 3:15pm. At 3:15pm, the Activity Center will be locked and all students should be in the Commons.
4. While students are waiting for their rides to be picked up from school, students shall be respectful of school property. There shall be no loitering in front of the Activity Center at the dismissal of the school day after 3:15pm. If rides have not arrived by 3:15pm, all students must report to the Commons to wait for their ride.
5. Students who are in the Commons after school must sign in and sign out when they leave. Students must remain in the Commons until 4:45 if they would like a bus pass to ride home.
6. Students who are in unauthorized sections of the building before school, during lunch, and after school will be assigned detention.

STUDENT ABSENCES AND EXCUSES

All students are expected to attend regularly and to be on time to school and all classes in order to receive maximum benefit from the provided instruction and to develop habits of punctuality, self-discipline and responsibility. Although the District works towards perfect attendance each day, it does not want students at school if they are ill. **Students who fall below the 90% attendance level may be placed on social probation.**

Parents are to call the attendance line any time their child is going to be absent or tardy or email margie.geisler@southwestschools.org. A recorded message call will be made to the homes or offices of any student's parent who was tardy or is absent. Students who are absent from school during the day, are not permitted to take part in after-school (or following day on non-school days) programs/activities unless special permission has been approved by an administrator.

REPORTING AND MONITORING STUDENT ABSENCES

It is the obligation of the parent, guardian or custodian to report the child's absence or tardy each day.

1. The parent should phone the school within one hour from the start of school on the day of the absence.
2. Upon the student's return to school, the parent shall provide written documentation stating the day(s) absent and reason for such absence. Written documentation of absence(s) includes parent notes and physician notes, as may be required by this attendance policy.

3. If within two school days after returning to school following an absence, written documentation has not been received, the absence will be "unexcused."
4. The parent (and not the school) maintains responsibility to make certain the absence note was submitted to the proper school attendance authority in a timely fashion.
5. Each student must have on file a completed Emergency Medical Authorization form which provides:
 - a. The name of the parent, custodial parent, guardian or legal guardian or other person having care or charge of a student.
 - b. A telephone number where the parent, custodial parent, guardian, legal guardian or other person having care or charge of a student can be reached during the day.
 - c. The name and telephone number of an emergency number designee to contact if the parent, custodial parent, guardian, legal guardian or other person having care or charge of a student cannot be reached.

EXCUSED ABSENCES

In general, excused absences/tardies include but not limited to:

1. Personal illness or injury.
2. Medical or dental appointments (partial days, in most cases).
3. Illness or death in the family.
4. Funeral of immediate family member or relative.
5. Quarantine.
6. Religious holiday (not counted against the eight day rule).
7. Appointments for court, should be a partial day in most cases.
8. Pre-approved vacations. Five days per year approved in advance by the principal. These days shall be included in the eight-day absence rule. Family vacations must be pre-approved by using the vacation request form. Vacation that is not approved, will count as non-excused.
9. Head lice. Children excluded from school due to head lice are allowed one excused absence (two occurrences per year, maximum). Days beyond the two-day limit (one occurrence per year) are unexcused.
10. Emergencies and other reasons deemed good and sufficient by a building administrator.

UNEXCUSED ABSENCES AND TARDIES

The school administration makes the final decision whether an absence/tardy is excused or unexcused. In general, unexcused absences/tardies include (but are not limited to):

1. Experiencing transportation problems at home or to school.
2. Remaining home to complete school assignments.
3. Missing school without legitimate illness.
4. Oversleeping. Alarm clock (student's or parent's) failed to work. "Nobody got me up."
5. Not having suitable clothing to wear to school or sent home for inappropriate clothing.
6. Working at a job during the school day without an approved work study program and work permit.
8. Any form of recreation (i.e. fishing, hunting or club sports – unless pre-approved vacation days).
9. Personal business that can be done after school or on weekends.
10. "Helping at home" or "Was needed at home." (Babysitting) are unexcused absences.
12. Senior pictures, Hair Appointment, Shopping, Car Repairs, etc.

DOCUMENTATION OF ABSENCES AND TARDIES

Generally, a parent note may document eight absences from school per school year or five tardies to school per semester for the reasons identified as "excused absences." Absences in excess of eight per school year or tardies in excess of five per school year may not be excused by a parent and shall require documentation by the student's physician, etc.

The foregoing general rule is for the convenience of school officials in the administration of this attendance policy. This rule does not create an entitlement for a student to be absent from school eight days per school year or tardy to school five days per school year for reasons other than those identified as Excused Absences. School officials may waive application of this general rule where circumstances indicate that its

application does not service the student's best interest. Those circumstances include, but are not limited to, the student's and/or the student's siblings' attendance in the current or prior school year. Special requirement of students who have been adjudicated as guilty for truancy charges and parents who have been adjudicated as guilty for "Contributing" charges related to truancy of their child(ren).

Nothing contained in this attendance policy is intended nor should be construed as restricting the discretion of school officials to make inquiries and request such verification/documentation as is reasonably necessary to determine if an absence or tardy is for any of the reasons identified in this policy as "Excused Absences." In all instances where students and/or parents have previously been adjudicated guilty for truancy-related offenses (habitual/chronic truancy and contributing), excused absences shall be granted only on the condition of a note from a physician (see next section) or personally excused from school by the school administrator.

The Board authorizes the Superintendent to establish a hearing and/or notification procedure for those students who have excess absences/tardies.

The Board authorizes the Superintendent to establish a hearing and notification procedure for the purpose of denying a student's driving privileges if that student of compulsory school age has been absent without legitimate excuse for more than 10 consecutive days or a total of at least 15 days during a semester or term.

MEDICAL EXCUSES

Medical excuses are acceptable documentation of an absence or tardy to school following a personal, in-office examination by a physician. Doctors may excuse absences or tardies to school for only the specific dates the student was under his/her direct medical care (during which the student was medically unable to attend school). Excessive medical excuses may result in the school's request for additional medical documentation.

EXCESSIVE ABSENCES AND TARDIES

1. Automated phone calls to the homes of absent students are made daily. (If you are not receiving a call when your child is absent, please contact the attendance secretary to confirm that your contact information is correct.)
2. Students who miss more than 10 % of any quarter may be placed on Social Probation the following quarter.
3. All absences after the 8th absence will require a doctor's note in order to be excused. A Medical Documentation letter stating that the medical excuse will be required.
4. Any student who is absent 10 or more days in a semester will be considered truant and will be referred to Hamilton County Juvenile Court, 800 Broadway, Cincinnati, Ohio.
5. The Board authorizes the Superintendent to establish a hearing and notification procedure for the purpose of denying a student's driving privileges and possible loss of Ohio Drivers License if that student of compulsory school age has been absent without legitimate excuse for more than 10 consecutive days or a total of at least 15 days during a semester or term.

STUDENTS HABITUALLY ABSENT AND LOSS OF DRIVING PRIVILEGES

When the Superintendent receives information that a student of compulsory school age has been absent without legitimate excuse for more than 10 consecutive days or a total of at least 15 days in a semester, the following procedure applies.

The Superintendent will notify the student and his/her parent(s) in writing and states that information regarding the student's absences has been provided to the Superintendent, and, as a result of that information, the student's driving privileges may be denied. This notification also states that the student and his/her parent(s) may appear before the Superintendent or designee to challenge the information provided to the Superintendent.

The notice from the Superintendent to the student includes the scheduled time, place and date of a hearing, which is scheduled between three and five days after the notification is given. Upon the request of the student or parent(s), the Superintendent may grant an extension. The Superintendent must then notify the student and the parent(s) of the new hearing time, place and date.

At the hearing before the Superintendent or designee, the student has an opportunity to present evidence that he/she has not been habitually absent without legitimate excuse. State law defines "legitimate excuses" for absence from school to include, but not be limited to:

1. Enrollment in another school or school district in Ohio or another state;
2. Possession of an Age and Schooling Certificate

3. A bodily or mental condition that prohibits attendance or
4. Participation in an approved home schooling or on-line program.

If a habitually absent student does not appear at a hearing before the Superintendent or designee, or if the student fails to convince the Superintendent or designee that the absences were legitimate, the Superintendent will notify the Ohio BMV Registrar and the juvenile judge. Such notification must be given to the Ohio BMV Registrar and the juvenile judge within two weeks of the receipt of the information regarding habitual absences or, if the hearing for the student is held, within two weeks after the hearing.

Notification to the Ohio BMV Registrar and the county judge must comply with State and Federal laws.

The Ohio BMV Registrar is required to suspend the temporary instruction permit or driver's license of the student who is the subject of the notice. If a temporary permit or license has not been issued for that student, the Registrar is prohibited from issuing a temporary permit or a license.

Denial of privileges remains in effect until the student reaches age 18 or until the denial is terminated for another reason allowed by State law. In accordance with the State law, a student whose driving privileges have been denied can file a petition seeking their reinstatement.

TRUANCY

After consultation with the Juvenile Court of Hamilton County; with parents, guardians of other persons having care of students and with appropriate state and local agencies, the Board adopts the following policy:

1. The Board may require the truant to participate in a truancy intervention program.
2. The Board may require a habitual truant to undergo appropriate counseling.
3. The Board may require the parent, guardian or other person having care of the student to attend a parental involvement program.
4. The Board may require the parent, guardian or other person having care of the student to attend a truancy prevention mediation program.
5. The Board may notify the Registrar of the Bureau Motor Vehicles of a habitual truant.
6. The Board may take legal action.
7. The following definitions apply.
 - "Chronic Truant" means any student of compulsory school age who is absent without legitimate excuse for seven or more consecutive days, ten or more school days in four weeks, or fifteen or more school days in a year.
 - "Habitual Truant" means any student of compulsory school age who is absent without legitimate excuse for absence for five or more consecutive school days, seven or more school days in four weeks, or twelve or more school days in a school year. For purposes of this definition, a suspension or expulsion would constitute a legitimate excuse.

Ohio Revised Code Section 3313.472, 3313.663, 3321.13, 2919.222, 3321.20, 3321.38

Board Adopted: July 16, 2009

SOCIAL PROBATION POLICY

Every student has an absolute "Right to a Free and Appropriate Education," and upon graduating from high school the goal is for all students to be workplace and/or college ready. Students also have "Privileges" which include participating/competing in extra-curricular activities, interscholastic sports and other privileges which include participating in clubs and/or all social activities such as attending any school dance, sporting event, school play. It also includes participation in special events such as evening academic awards assemblies or graduation. It is important to differentiate between the two when defining Social Probation.

Students may be placed on Social Probation for attendance (90% attendance), failing grades, or violations of the Student Code of Conduct. Social Probation is a "Denial to Participate" (NOT a suspension) in activities that are considered privileges and do not interfere with educational "Rights" of the student's education. It is simply a philosophy of requiring students to take care of business before pleasure; and for many students, it is that opportunity of participating in "privileges" that motivates them to do their best in the classroom. Social probation is designed to keep academics the most important focus while attending school and can also serve as a very important motivator.

Social probation is a denial to participate in the following activities:

- All interscholastic sports activities including practices, team meetings, and attendance or participating

in any contests.

- All clubs during or after school hours (including student council)
- Attending any after school events, sports contests, all dances, club activities, and academic awards programs including graduation.

ACADEMIC PROBATION POLICY

Academic Probation is designed for students to get back on track with their studies after having failed at least one of their core courses. ***A student on Academic Probation will also be on Social Probation until all credits are made up.*** Students are required to meet twice per month with an adult mentor on staff (if no choice is made, a counselor, intervention specialist, or administrator will be assigned) and are required to submit a credit recovery plan to their guidance counselor.

MAKE-UP TESTS

Students who are absent only the day before a previously announced test will be expected to take the test upon their return (the day for which it was scheduled). Students who are absent only on a test day will be expected to take the test or an alternate test on the day they return. Students who are absent for a consecutive number of days, including a test day, will be expected to make up tests within the number of school days equal to their absence.

Makeup tests will be scheduled by teachers according to the time they have available to effectively supervise the students, help them with questions if necessary, and protect the security/integrity of the test.

If a student is present the day an assignment is given or a test/quiz is scheduled, the completed assignment is due and/or the test/quiz is to be taken the day the student returns. This can be at the teacher's discretion depending on the number of days missed.

ATTENDANCE REQUIREMENTS FOR SCHOOL SPONSORED EVENTS

Any student who wishes to participate in or attend any school sponsored event after school hours must be present no less than five (5) class periods. This includes rehearsals, practices, plays, concerts, athletic events, and all dances including Homecoming, Coronation and the Prom. This also pertains to an absence on a Friday and a school event held during the weekend.

Any student who has a detention with a teacher or an office detention scheduled for a particular day is not permitted to ignore the detention in order to participate in a school sponsored event on that day. This includes rehearsals, plays, practice, concerts, or athletic events. The student must first serve the detention or Tuesday School before participating in the event.

Additionally, any student found to be in violation of the SLSD Drug and Alcohol Policy will be placed on Social Probation for a period of forty-five (45) school days.

COLLEGE OR MILITARY VISITATION DAYS

Students will be allowed to take approved college or military enlistment days during their junior or senior year. The days must be approved in advance by completing the College Day/ Military Day form and pending guidance counselor and administrative approval.

LEAVING SCHOOL EARLY

A student who must be excused for a doctor's appointment or for any other legitimate reason should obtain an Excuse to Leave the Building Slip from the attendance office by bringing a note or appointment card with the doctor's phone number from his/her parents prior to the doctor's appointment. It is a very serious offense for students to leave the school premises without permission of the attendance office before 2:50 p.m. and such offense is subject to disciplinary action. The attendance office will call the parents of students who wish to go home because of illness. Students are not to call or sign out without official school permission.

Students signing out to go to a doctor or dentist must have verification from the doctor or dentist upon returning to school. If proof the appointment is not received, the absence will be unexcused and the student will receive proper disciplinary action.

When the time has arrived for a student to leave school, the student must report to the office to give the attendance secretary his/her Excuse to Leave the Building Slip. The student must then sign the Sign Out Sheet located in the attendance office. Only the legitimate reasons listed in the previous "Excused Absences" section will be accepted as reasons for early dismissal.

Positive Behavioral Interventions & Supports (PBIS)

Over the last several school years, hundreds of students were surveyed about their opinions regarding our secondary school's behavioral climate. It was clear from their responses that nearly all students want our school to be a safer, cleaner, more positive place to learn. In order to make these improvements, our staff worked countless hours to develop a School-Wide System of Positive Behavioral Interventions & Supports. The goal of this system is to set up a school environment where it is easier to live up to these positive expectations. The next few pages describe these expectations, as well as ways that students will be encouraged to reach them.

****All students shall demonstrate a personal commitment to Trust, Respect, Ownership, and Leadership.**

T - Trust *R* - Respect *O* - Ownership *L* - Leadership

Students will be encouraged to follow these school-wide expectations through three avenues:

- 1) Direct instruction by all staff members
- 2) Signs posted throughout the building as reminders
- 3) Incentive plan that recognizes those students for demonstrating the expected positive behaviors. The incentive plan will include verbal and written recognition by teachers and other staff members as well as drawings for special rewards and privileges available in a student-developed menu of prizes.

Site Specific Expectations: Posters will be placed in each location – detailing the TROL expectations.

DISCIPLINE

We believe that by the time a young person reaches high school age, very little imposed discipline should be necessary. If students want to be successful in their high school career and avoid disciplinary situations, there is one simple rule to follow: Be where you are supposed to be, when you are supposed to be there, doing what you are supposed to be doing.

Under no circumstances is it the desire of the school to deprive a student of his/her right to an education; however, the school administration and faculty expect that all students have an equal and unobstructed right to an education at Wm. Henry Harrison High School. It is for these reasons that the few policies on student responsibilities and conduct will be firmly enforced.

Young adults are expected to understand the difference between right and wrong and to accept responsibility for their actions. Students who choose to break the rules or make poor choices should expect to be held accountable.

STUDENT CONDUCT CODE

This code of regulations is adopted by the Board of Education of the Southwest Local School District pursuant to 3313.66, Ohio Revised Code and Section 5116.1-6.1 of the Southwest Local School District Board Policy Manual.

to your classmates and your teachers...

When you fail to arrive early you are taking valuable teaching and learning time away from classmates and from your teachers. If school starts at 7:58, please plan on arriving prior to 7:45AM!

Your classmates and your teachers thank you for being responsible and respectful of the education process for all!

HIGH SCHOOL DRUG AND ALCOHOL DISCIPLINE POLICY

The Southwest Local School District Board of Education recognizes that the use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful.

At the beginning of each school year, each student and his/her parent/guardian will be given a copy of the code of conduct and a statement of disciplinary sanctions that are required. The information that appears in the Student Handbook/Agenda will also be posted on the district webpage and in the high school commons. These standards notify parents, guardians, and students that compliance with these standards of conduct is mandatory.

Any student found in possession of or under the influence of drugs and/or alcohol at school, at a school sponsored event, or on Board operated transportation vehicle will be immediately suspended from school for 5 days and recommended for expulsion. The student will be placed on social probation for a period of forty-five (45) days.

Students who are first time offenders and who appeal their expulsion recommendation must bring the results of an assessment from a Southwest Local School District approved drug and alcohol specialist/agency/facility. This documentation and the student's and parent's plan to prevent future problems will be reviewed by the Superintendent or his designee and a determination will be made as to whether the student should be allowed back to school after completion of his/her suspension. Any student who does not completely comply with the recommendations of the drug and alcohol assessment will be expelled from school for the duration of his/her expulsion recommendation.

All "sellers/distributors" and drug or alcohol "repeat-offenders" will be recommended for expulsion. The assessment option will not be available to "sellers/distributors" or "repeat offenders."

All drug "seller/distributors" and/or students who are in possession of illegal drugs will be reported to a local law enforcement agency. The Southwest Local Schools recognize the importance of guidance activities which provide support to students who are experiencing problems either directly or indirectly due to alcohol and other drug use. Therefore, programs such as "peer counselor," individual guidance support groups, and mentorship programs will be utilized as means of providing support and guidance to students within the school environment.

DRESS AND APPEARANCE

Students are expected to use good judgment concerning dress and grooming. Students are required to wear clothes appropriate in the school setting. Dress and grooming standards require neatness and cleanliness; sloppiness and immodesty will not be permitted.

In a society of many diverse students, there is a need for guidelines for student dress. These guidelines will provide the student body with the parameters of acceptable dress in our schools. Students and staff alike support consistency in the enforcement of the dress code beginning daily during first period. Listed below are the guidelines for the Southwest Local School District:

1. The building administration will determine the appropriateness of any and all dress. The decision of the administration is final.
2. Shorts are permitted, however, they may be no higher than mid-thigh. The same length applies to skirts. Cut-offs including jeans or sweatpants are not considered acceptable for the instructional day.
3. Clothing with reference (including dual meanings) to alcohol, drugs, tobacco, profanity and/or sex or

violence is not permitted.

1. Search any pupil's locker/desk and the contents thereof if the administrator has reasonable suspicion that the locker/desk or its contents contain evidence of a pupil's violation of a criminal statute or of a school rule.
2. Declare that locker/desks are the property of the Board of Education and these lockers/desks and the contents thereof are subject to search at any time if there is a reasonable suspicion that any locker/desk or its contents contains evidence of a violation of a criminal statute or a school rule.
3. Search at any time the locker/desk and the contents thereof of any pupil if an emergency situation

exists or appears to exist that immediately threatens the health or safety of any person, or threatens to damage or destroy any property under the control of the Board, and if a search of locker/desks and the contents thereof is reasonably necessary to avert the threat or apparent threat.

4. Students in the original high school building will be required to purchase and use school sold and approved hand held locks on their lockers. Locks that have not been sold and approved by the building administration will be removed without compensation. Students must purchase hand held locks from the office prior to the start of the school year or during the year as needed. Locks purchased by the student become the property of the student and can be used throughout high school.

HIGH SCHOOL ACADEMIC EXPECTATIONS

Parents, teachers, and students alike expect teaching and learning to take place every day in every class. Students are expected to complete all class work and homework daily. That also includes any day a student misses school. When a student is absent, he or she is expected to e-mail their teachers or call the guidance office prior to 9:00am and request end of the day class work. Students are typically expected to have one day to make up all work for each day absent or to make alternative plans with his/her teacher. After an absence, it is not the teacher's responsibility to track down students to complete make up work. It is each student's responsibility to see that all assignments are requested and completed in a timely manner.

Any time a student falls behind by three or more assignments, the teacher will address his/her concern with the student and contact the parents by phone or email. At the end of the week, if a student has fallen behind by four or more assignments, he/she will receive an Academic Office Referral on Friday afternoon. Students who receive an Academic Office Referral will be assigned a two hour Tuesday School and a letter will be sent to the parents. The student will have until the end of the week to make up all missing work to the teacher's satisfaction. Failure to do so will result in a (four hour) Saturday School assignment.

Tuesday School (two hours) and Saturday Schools (four hours) are not viewed as a punishment. They are viewed as a promise to do all that can be done to assist parents and students in school success. Parents will receive a second letter should Saturday School be assigned. Repeat Saturday Schools may result in a conference with an administrator, parent, student, and possibly the guidance counselor and one or more teachers.

ATHLETIC ELIGIBILITY

Athletes are required to pass a minimum of 5 full credits based upon the Ohio High School Athletic Association (OHSAA) criteria for high school and dual enrollment college credits earned. Continued...

Athletic eligibility is based on the preceding academic quarter, excluding credits earned in summer school. Eligibility is subject to (OHSAA) rules and regulations, which are published at the beginning of each school year. Please contact the athletic director or your guidance counselor with questions. A new eligibility list is developed for Harrison High School each quarter.

Note: Physical Education courses do not meet the full credit requirement for athletic eligibility.

VALEDICTORIAN/SALUTATORIAN RECOGNITION

The seniors who have the highest and second highest grade-point averages through eight semesters will be recognized as valedictorian and salutatorian, respectively, in two categories: academic and vocational.

GUIDANCE OFFICE SERVICES

The guidance office and its staff are always available to help you in making your school goals become a reality. Up-to-date publications and materials are available in the guidance office, including computerized resources such as the Naviance Guidance Information System and ACT/SAT Preparation Programs.

COUNSELOR ASSIGNMENTS

Mrs. Jenny Barker A to G Mr. Steve Barnes H to O Ms. Lisa Suttman P to Z

The students are divided alphabetically among the counselors for the purpose of scheduling and maintaining records. This way the student keeps the same counselor for four years, giving the counselor and student the opportunity to get to know one another better. This arrangement does not, however, restrict a student from selecting the counselor of his/her choice for any personal counseling he/she may seek.

PROCEDURE FOR STUDENTS TO SEE THE COUNSELORS

Students will normally see counselors during study halls or, if a counselor requests to see a student, a pass will be sent to the student's class. At least one counselor is on duty between the hours of 7:45 a.m. and 2:45 p.m. daily, including the lunch period.

New Student Registration

Registration for all Southwest Schools for Kindergarten – 12th grade is done at the District Office located at 230 S. Elm Street, Harrison, OH 45030. The hours for registration of students are Monday and Tuesday 7:00am – 11:00am and Wednesday 3:00pm – 7:00pm. Other hours are by appointment by calling (513) 367-4139. Students do need to be present when you come to register. Go to the district website and follow the link for Student Registration for details. You will be required to show a birth certificate, proof of residency, and proof of custody/guardianship if applicable as well as a copy of the current report card for students in Kindergarten – 8th grade.

It is important for students who are in grades 9 -12 to bring an unofficial copy of their transcripts. When your registration is complete, you will need to have an appointment with a guidance counselor to schedule courses. The guidance counselor will need to see a transcript in order to assign a student appropriate classes. The lack of transcript could delay this process.

MEDIA CENTER SERVICES

The Media Center is open from 7:45 a.m. to 2:45 p.m. daily. Students from study halls will be permitted to sign out and use the Media Center unless it has been reserved by a classroom teacher.

The Media Specialist will issue guidelines and information about the Media Center soon after school begins. The Media Center will be open to students during most lunches.

USE OF THE MEDIA CENTER

All students must use the school provided planner as their pass to the Media Center. Students may not enter

the Media Center without a pass except before school, after school, or during a student's lunch period.

Students are liable for fines or for the replacement cost if a book is overdue, damaged, or lost. Students who do not conduct themselves in an appropriate manner will be sent from the Media Center back to their study hall or class and may be denied further Media Center privileges.

There will be no restroom, drinking fountain, or locker privileges from the Media Center without a pass from the Media Specialist. Access to the Internet while in the Media Center will be limited to authorized students only.

INTERNET USAGE AND ACCESS

Students will receive an Internet Acceptable Use Policy the first day of school. Both students and parents/guardians must sign the forms, agreeing to abide by the district's policy.

Students will be trained in the proper usage of both e-mail and Internet web access by the staff members for use in and for classes.

Failure to abide by the rules and regulations outlined in the Acceptable Use Policy will result in the loss of all Internet privileges.

LUNCH PROCEDURES

Please Note: The Southwest Local School District participates in the *Federal Free and Reduced Lunch Program* for our qualifying students. As part of the provision of the agreement we do not allow vending machines to be used or outside food service to the building during lunch time. Food from an outside restaurant, pizza service, etc. may not be delivered until after 2:45. Food cannot be delivered or brought in to the building without administrative approval within program compliance.

Note: A parent may bring in a lunch for a student but not a pizza for a group of students. Your observance of our agreement is much appreciated.

LUNCHROOM RULES FOR STUDENTS

When groups (A, B, or C) are dismissed for lunch, all students in a group are to report to the cafeteria immediately after going to their lockers. After students are served, they are to find a seat and remain in the cafeteria for the duration of their lunch period. Students should dispose of their trash as soon as they have finished eating and then return to their seats until the bell rings. Students are not to leave the cafeteria except to use the restrooms nearest the cafeteria. Students are not permitted to leave campus for lunch; we have a closed campus at Harrison High School. Violating any of the above will result in appropriate discipline.

HEALTH AND SAFETY

SICKNESS

Students who are ill should report to the office. We ask that you do not stay in a restroom. Students should report to their teacher first before reporting to the office. Typically students will have a period of recovery time and then should return to class or make transportation arrangements to go home and/or seek medical attention.

MEDICATION

If students need to take medicine during the school day, the procedure is as follows:

Students must leave any medication they bring and a Record of Administering of Medication form with the Front Office before the beginning of the school day (7:58 a.m.). All medicine (including aspirin, Tylenol, etc.) must be dispensed from the Office. Medicine must be brought to school in the original container. At no time should students have any medication in their possession without school approval. Refer to the Student Conduct Code, regulation N.1.

FIRE, TORNADO AND A.L.I.C.E. DRILLS

Fire, tornado and ALICE drills will be conducted regularly. Follow teacher instructions and remain orderly and quiet.

Students must be legally parked in a designated student space. Disciplinary action will be imposed on any student parked elsewhere (i.e. fire zones, visitor spaces, cafeteria loading dock, bus parking area, between and the staff spaces, etc). Students are reminded not to park in the staff or visitor parking please.

NO CHILD LEFT BEHIND

Parents of students in the Southwest Local School District have the right to know the professional qualifications of the classroom teachers who instruct their child(ren). Federal law allows them to ask for the following information: whether the Ohio Department of Education (ODE) has licensed or qualified the teacher for the grades or subject taught; whether the ODE allows the teacher to teach without being licensed or qualified under state regulations because of special circumstances; the teacher's college major, advanced degrees and subjects of degrees; whether any teachers' aides provide services to your child and their qualifications. If you wish to receive this information, please contact the district office at 367-4139.

WELLNESS POLICY

The Southwest Local School District is committed to providing a school environment that enhances learning and the development of lifelong wellness practices. In accordance with Federal Public law (PL108.265 Section 204) the Board of Education adopted a District Wellness Policy in June, 2006.

Key aspects of this plan include:

- Students are offered a variety of meats/poultry, fresh fruits, vegetables, and whole grains.
- All foods made available on campus adhere to food safety and security guidelines.
- For safety concerns, parents/caregivers are encouraged to provide individually packaged commercially prepared products.
- Fund raising efforts are supportive of healthy eating.

The complete wellness policy is available on the district web site www.southwestschools.org.

SCHOOL BREAKFAST PROGRAM

Research has shown that starting the day with a nutritious breakfast helps students stay alert and perform better in school. Southwest Local School District offers breakfast at all school buildings. At Harrison High School, breakfast is served from 7:20am – 7:50am before the start of school every day. Secondary school breakfast is \$1.20. Free or reduced breakfast is (\$0.30) priced and available to those who qualify. All students are strongly encouraged to benefit from eating a nutritious breakfast.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

The Family Education Rights and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day school receives a request for access. Parents or eligible students should submit to the school principal or appropriate school official a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible student who wish to ask the school to amend a record should write the school principal or appropriate school official, clearly identify the part of the record they want changes and why it should be changed. If the school decides not to amend the record as requested by the parent of eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible students when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instruction or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary, or grievance committee or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses educational records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Southwest Local Schools to comply with the requirements of FERPA. The name and address of the Office that administrates FERPA are:

Family Policy Compliance Office, US Department of Education
 400 Maryland Avenue SW, Washington DC 20202-8520

PUBLIC SCHOOL CHOICE AND SUPPLEMENTAL EDUCATIONAL SERVICES IN THE SOUTHWEST LOCAL SCHOOLS

Schools across the country have been impacted by the passage of the No Child Left Behind Act (NCLB) of 2001. This act mandated the state testing and accountability system in the State of Ohio. School and

district report cards, ratings of schools and districts as Excellent with Distinction, Excellent, Effective etc., and ratings of schools in School Improvement and consequences of not meeting targets established by the Federal Government came from NCLB.

One component of NCLB is the public reporting of the progress of all students in the district, of students in various populations groups and the steps a district or school is taking to remediate any areas of concerns for schools that are in School Improvement.

SLSD has two schools in the district who receive Title 1 monies: Harrison Elementary and Miamitown Elementary. Title 1 students are those who are eligible for free or reduced lunch at qualifying schools. Title 1 is a federally funded program that is designed to help students be more successful in their classrooms, especially in the areas of reading and math.

PUBLIC SCHOOL CHOICE (PSC)

Schools that receive Title 1 monies and are in School Improvement status for two years in a row (SI 2) are required, under NCLB, to offer Public School Choice to their parents. This means that students who attend schools identified as not meeting Adequate Yearly Progress (AYP) for two years in a row will be provided the opportunity to request transfers to a school within the district not in need of improvement.

Southwest Local Schools has NO schools in SI 2 status. Southwest Local Schools has not had any school in the district in the SI 2 status since the beginning of NCLB regulations.

SUPPLEMENTAL EDUCATIONAL SERVICES (SES)

Schools receiving Title 1 funds that have been in School Improvement Status (SI 3) for three years in a row are required to offer an additional opportunity for students to receive extra (supplemental) educational services. SES tutoring is designed to help students in graded K-12 catch up if they are behind in reading, language arts, and math.

Southwest Local Schools has NO schools in SI 3 status. Southwest Local Schools has not had any school in the district in SI 3 status since the beginning of NCLB regulations.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes and certain physical exams. These include the right to:

CONSENT - Before students are required to submit to a survey that concerns one or more of the following protected areas if the survey is funded in whole or in part by a program of the U.S. Department of Education.

1. Political affections or beliefs of the student or the student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex, behavioral or attitudes;
4. Illegal, anti-social, self-incriminating or demeaning behavior;
5. Critical appraisals of others with whom respondents have close relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors or ministers;
7. Religious practices, affiliations or beliefs of the student or student's parents;
8. Income other than as required by the law to determine program eligibility;

RECEIVE NOTICE AND AN OPPORTUNITY TO OPT A STUDENT OUT OF:

1. Any other protected informational surveys, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision or scoliosis screenings, or any other physical exam or screening permitted or required under State law;
3. Activities involving the collection, disclosure or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

INSPECT UPON REQUEST AND BEFORE AMINISTRATION OR USE

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales or other distribution purposes;
3. Instructional material used as part of the educational curriculum;

These rights transfer from the parents to a student who is 18 years old, or an emancipated minor under

State law.

Southwest Local School District had developed and adapted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales or other distribution purposes. Southwest Local School District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. A copy of these policies will also be available on the district website, www.southwestschools.org. Southwest Local School District will also directly notify, such as through the U.S. Mail or email parents of students who are scheduled to participate in specific activities or surveys noted below and will provide an opportunity for the parent to opt her or his child out of participation of the specific activity or survey. Southwest Local School District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities or surveys listed below and will be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys.

Following is a list of specific activities and surveys covered under this requirement:

1. Collection, disclosure or use of personal information for marketing, sales or other distribution;
2. Administration of any protected information surveys not funded in whole or part by the U.S. Dept. of Education;
3. Any non-emergency, invasive physical examination or screening as described above.

MCKINNEY-VENTO PROGRAM

The McKinney-Vento Homeless Children and Youth Program was designed to make sure all homeless children and youth have equal access to the same free and appropriate public education as children and youth who are not homeless. This includes preschool education.

State and local education agencies are required to develop, review, and revise policies to remove barriers to the enrollment, attendance and success in school that homeless children and youth may experience.

Local educational agencies also must provide homeless children and youth with the opportunity to meet the same challenging state content and state student performance standards to which all students are held.

More information on the McKinney-Vento program can be found on SLSD's website at www.southwestschools.org on the Special Services Department page.
